

I am writing in support of K-LOVE radio 91.5 FM. I enjoy listening to it and like the fact that I don't have to screen songs for my 13 year old daughter. The songs are uplifting and the station is family oriented. I don't want it displaced by LPFM providing other programming. I believe that it is in the public interest to maintain K-LOVE's signal providing a positive encouraging message for me and my family. Thanks for listening, Terry Thixton
